**To send your work's propositions**

Dear Colleagues,

those of you who want to send their work's propositions for the July Meeting have to address them to the Scientific Committee: [fclroma2010@gmail.com](mailto:fclroma2010@gmail.com) **before March 15<sup>th</sup> 2010.**

At this purpose we ask you to specify the subject and the main thesis of your work's proposition.

The abstract must be no more than half page long. Please note that due to the estimated amount of work's propositions, those received after March 15<sup>th</sup> 2010 or with more than 1800 characters, will be excluded.

As the Meeting's works will be subdivided into four topics, each work's proposition has to indicate to which of them is connected among the following:

- Clinic of the traumatic *lalangue*
- Symptom and drive [pulsion]
- The real unconscious and the Other
- The body events and the sexual relationship.

Decisions about the work's propositions will be taken by the Scientific Committee and communicated by us, as people in charge of the Meeting, within April 15<sup>th</sup> 2010.

The Meeting program will be announced in May. According with that program we will establish more precisely the length of the participations.

The final texts for the translators have to be delivered within May 31<sup>st</sup>.

Best regards,
