**1.4 THE CARTELS**

There are two types of cartels, but both obey the same principle of composition: each is composed of a member from Spain or Italy, a member from South America, and three members from France.

The Cartels of the Pass. They give a ruling on the Passes and are composed from within the ICG, case by case, according to the Passes that are completed, and based on linguistic compatibility and analytic incompatibility.

The three Cartels of the ICG. They are composed within the ICG for the duration of

the mandate of this ICG, by mutual agreement between all members of the ICG, and they will work on certain crucial psychoanalytic questions raised in the procedure. The theme or themes chosen by each of the will be communicated when they begin their function.

## **1.5 THE LOCAL SECRETARIATS OF THE PASS:**

### **France**

Committee for Reception and the Guarantee (CRG) for the admission of members and the guarantee (Pass and AMS): Michel Bousseyrroux, Lydie Grandet, Luis Izcovich (secretary) and Pascale Leray.

### **Spain**

Committee for Admission and the Guarantee (FFCLE-DEL): Roser Casalprim (secretary of the Pass), Mikel Plazaola (School admissions) and Ramón Miralpeix (guarantee).

### **Latin America**

Local Guarantee Commission for Latin America (CLGAL): Sandra Berta (Brazil), Sonia Alberti (Brazil), Gabriela Zorzutti (Latin America South), Clara Mesa (Latin America North).

## **2. THE FUNCTIONING OF THE *DISPOSITIF* OF THE PASS**

### **2.1 The list of passers**

The list is established in each *dispositive* by the Secretaries of the Pass (see section 2 below) following proposals by the AMS of the *dispositif*. The local secretariats send it to the ICG, which holds the list for all the *dispositifs*, noting the analyst and the date of the proposals.

### **2.2 Steps in the functioning of the *dispositif***

**The demands for the Pass** are received locally by the Secretariats of the Pass that establish the list of *passers*. This list is revised and updated each year by these same Secretariats,

The candidate is received by a member of the Secretariat of the local Pass who refers the candidate to its Secretariat, which then approves or declines the request. The Secretary transmits the response of its Secretariat to the candidate who will then, where applicable, draw the names of his *passers*. He informs the *passand* that when his testimony is completed, he must let the Secretary know. If he so wishes, a *passand* can refuse a *passer* and draw another name

**The Secretaries of the Pass** transmit the following to the Secretaries of the ICG, as they are received:

- The list of demands for the Pass.
- The list of Passes that have commenced after the candidates have been interviewed by a member of the Secretariat, along with the names of the two *passers*, and all the necessary information required for a cartel of the Pass.
- The Secretariat of the ICG decides, with the members of the ICG, on the composition of the Cartels for various passes, taking languages and incompatibilities into account. In a cartel, it would be appropriate to avoid the presence of the analyst of the *passand*, his current supervisor, possibly a current analysand of the same analyst, and also sometimes people who are too close to the *passand*.
- The Secretariat of the ICG is responsible for directing Passes to one of the Cartels of the Pass

### **2.3 Transmission of the responses of the Cartels of the Pass**

- The cartel will write its response to the *passand* in the simplest form and without justifying it. Depending on the case, this will be: “the cartel has nominated you AS” or “the cartel has not nominated you AS”. It will also include the composition of the Cartel that has ruled on this Pass. On this basis, each Cartel will obviously have to evaluate whether it wishes to add something more in relation to particular cases.
- The response will be transmitted without delay.
- A member of the cartel, chosen by the cartel, orally transmits the answer to the *passand*, personally where possible or by telephone if distance does not allow it. The *passand* may, at his request if he so wishes, then meet another member of the cartel.
- The response, nomination or non-nomination, is communicated for filing to the two Secretaries of the ICG and the Secretariat of the Pass concerned.
- The Secretariat of the ICG (composed of the two Secretaries of the ICG) holds the Notebook with all these steps. The paper version of the Notebook is passed from ICG to ICG.
- The ICG sends all of these rules regarding functioning to the various local Secretariats.

### **2.4 The passers**

The Analyst Members of the School of the SPFLF can propose *passers* as is stipulated in the “Principles”. At an opportune moment, they make their proposal to their local Secretariat of the Pass or to the *dispositif* of the School to which they are attached. Each Secretariat can also speak to Analyst Members of the School belonging to that *dispositif*.

The Secretariats of the Pass draw their *passers* for the *passands* from a list of *passers* comprising those *passers* who have not yet taken up their function in the procedure of the Pass, or, alternatively, who have been involved in the lowest number. The *passers* must necessarily speak the same language as the *passand*, or speak a language that the *passand* speaks, but they need not necessarily be from the same place.

The mandate of the *passer* is limited to three passes. If two years after his designation a *passer* has not been drawn by lot, the AMS who designated him can either renew or not renew the designation.

It would also be necessary for that the Secretariats of the Pass to ensure that the *passand* who draws his *passers* by lot is read to commence his testimony immediately, and to see that the testimony does not go on indefinitely.

### **2.5 The International Committee of Accreditation of AMS: the composition of the Committee**

In the second year of its mandate the International College of the Guarantee constitutes from within it the International Committee of Accreditation of AMS. Its composition is proportional to the number of members of the School in each zone. The list of the new AMS is published in June/July of this second year.

At the start of its taking office, the ICG reminds the local committees of the tasks that are incumbent upon them with regard to the criteria and the gathering of information about potential AMS, particularly in zones attached to a *dispositif*. The Local Committee of the Guarantee send their proposals for Analyst Members of the School for their *dispositif* at their convenience.

## **APPENDIX: THE ADMISSION OF MEMBERS OF THE SCHOOL**

### **A) The articulation between the admission to the Forum and to the School**

The rule that consists in first entering the Forum and then the School, must be maintained. However, it should be applied with tact and, in some exceptional cases, a simultaneous entry into the Forum and the School can be envisaged.

### **B) The question of criteria** has been taken up and has led to the following suggestions:

Two interviews or one interview with two people does not appear excessive.

Regular participation in the activities of the Forum or the division, particularly in cartels, and possibly in the Clinical College to which the candidate belongs, is to be taken into account. But the question of greater participation in the national activities, for example, the *Journées* [Study Days], must be taken into account.

Since our School has international *dispositifs*, the international dimension cannot be ignored. This dimension must be presented to the candidate at the first interview so that he is fully aware of where he is intending to enter before his second interview. The works published following the *Journées*, inter-cartels, etc, are an objective indicator of the involvement of a candidate and are to be taken into account. Consultation with the analyst of supervisor cannot be obligatory. It is for the Committee to judge if, in such and such a case, it could be opportune.

### **C) Condition of admission** as Member of the School for members of forums attached to the French instrumentality:

The general condition for admitting a Member of the School belonging to an attached *dispositif* is that enough is known about his analytic training. On that basis, the Committee for Reception and the Guarantee (CRG) will give the response suitable for each case. Moreover, if one of the candidates made the Pass and was not nominated AS, the Cartel that listened to his testimony could possibly propose his admission as Member of the School.
